If you want to be able to edit and receive updates to your network list, click yes

Add a few words with commas that best describes your Network, "Professional, Diversity, Events"

You can select multiple categories to describe your network and select your default category

You can leave this by default but we are aiming on having Geo Located Networks to help visitors discover the best networks near them. You can add your address here. Or drop the pin to where you are located.

These are automatically generated. But if you know what you are doing you are welcome to change.

Please add in any annual membership or fees associated with joining this network.

Please enter full URL addresses in these fields – example - "http://www.website.com"

Please try to upload a logo that has a lot of white space around it so it looks great on every page. You can also upload images of your events and members to create an image gallery. The first image in the window will be what is displayed as your logo.

You will need to accept our terms and conditions and then click on Review your Listing. You will then be prompted to confirm and then submit. Once approved you are then able to update and amend,
